

ABOUT AICTE

The All India Council for Technical Education (AICTE) is a statutory body of the Government of India, established in 1945, primarily to promote and regulate technical education in the country. Initially an advisory body, it gained statutory status through an Act of Parliament in 1987. AICTE is responsible for planning, coordinating, and maintaining standards for technical education programs, including engineering, technology, management, pharmacy, and others

ABOUT THE INSTITUTION

Mohamed sathak polytechnic college, Kilakarai is a Government Aided and AICTE approved institute sponsored by Mohamed Sathak Trust, Chennai a Philanthropic, Charitable, Religious Trust devoted to the cause of spreading Education, especially Technical Education at all levels. The Polytechnic College established in 1980, is located on Ramanathapuram-Kanyakumari Coastal Road with 7 main branches. As a genuine recognition, our polytechnic college has received Accreditation by the NBA, AICTE, New Delhi in 2007. The notable feature is that Marine Engineering is taught at diploma level only in our polytechnic college throughout south India.

ABOUT THE DEPARTMENT

The department of Mechanical Engineering was established since the starting of the institution in 1980, with an annual intake of 60 students. It was then increased to 90 students in the year 1995, further it was hiked to 120 students in 2007. The Diploma in Mechanical Engineering programme was first approved by AICTE and affiliated to State Board of Technical Education, Government of Tamil Nadu, Chennai in 1982. This department has highly qualified and well experienced faculties with more than 25 years.

ABOUT FDP

The main objective of organizing this FDP is to impart knowledge regarding methods of minimizing waste generation, the importance of waste management technologies, and their impact on the environment
